

About CIA

Written by Cambodia Investment Agency (CIA)

Welcome to Cambodia Investment Agency's website. From an initiative of one foreign businessman who said **“It is difficult to find an accurate gateway to applying for a business license in Cambodia”** . Cambodia Investment Agency (CIA) has created in order to tell you the right gateway to applying for all kinds of business and investment licenses.

CIA is emerging not only from a combination of all expertise in doing a successful business in Cambodia, but also has a good and strong cooperation with government officials. CIA finds you well in saving your time and expenses for the start-up of your business and has determined to facilitate and to consult with you about investment matters.

CIA is always looking forward to welcoming all kinds of investors who are eager to cooperate and to seek for a chance of doing business in Cambodia.
